TheQwikFix turns home inspection reports into quotes for repairs from licensed contractors who can get the job done before or shortly after closing.

[www.theqwikfix.com](http://www.theqwikfix.com)

Quote is based on limited information from the reports submitted. In rare cases the estimate needs to be adjusted to compensate for different issues or worksite conditions.

Minimum charge of \$500 is required

Work is being completed by licensed contractors that are part of the QwikFix network. If you need specific information regarding the contractors please email support@theqwikfix.com.
